Occasionally, we may take photographs of the children at our Club. We may use these images in our marketing or in other printed publications that we produce, as well as on our website or on project display boards at our Club. We may also make video or webcam recordings for Club use.

From time to time, our Club may be visited by the media who will take photographs or film footage at a high profile event. Players will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child for promotional purposes.

Please answer questions 1 to 4, then sign and date the form where shown.
